## WHAT

### WHAT TOPICS DOES THIS ACADEMY COVER?

This academy improves delivery, action, and knowledge-sharing across countries.

- Green economy policy
- Green jobs and just transitions
- Green industrial development
- Learning and skills development for greener economies
- Finance and investment in a green economy

### WHAT WILL I LEARN?

This academy equips participants with the knowledge and skills they need to grow a greener economy.

- How to conceptualize the green economy as a means for **social inclusion**
- New **tools and methods** to mainstream the green economy in national policy, including green jobs assessments and green economy indicators
- Strategies to include and engage **multiple stakeholders** in the green economy

### WHAT WILL I BE ABLE TO DO?

Participants practice formulating and implementing green economy policies and strategies.

- Share **knowledge and experiences** with an international community of practitioners
- Apply **concrete strategies** to promote the green economy in the public and private sectors
- Achieve **long-term results** within the framework of national and climate change strategies

---

## WHY

### WHY SHOULD I JOIN?

The Turin Centre is known for its innovative learning and training methods.

- Participants choose from **six elective courses**, including green policymaking, finance, and green jobs.
- A **knowledge fair** allows participants to show and discuss best practices from country-specific green economy initiatives.
- The academy includes a **debate** on the complexity of global energy transitions.

## WHO

### WHO TAKES THIS ACADEMY?

- Policy makers, decision makers, and technical staff from civil society organizations, trade unions, employers' organizations, businesses, and research institutions
- Staff and practitioners from PAGE partner agencies, collaborating agencies, and funding partners

## PAGE

The Partnership for Action on Green Economy (PAGE) helps nations and regions create sustainable policies that foster economic growth, boost the labour market, and reduce inequality. It relies on the combined expertise of five UN agencies, UNEP, ILO, UNDP, UNIDO and UNITAR.

## PARTNERSHIPS

This academy is held in collaboration with global initiatives and institutions working on green economy, and provides participants with opportunities to build new alliances and partnerships.

## CAMPUS LIFE

### A THRIVING UNITED NATIONS CAMPUS AND COMMUNITY OF PROFESSIONAL PEOPLE FROM AROUND THE WORLD

- **Three organizations** from the United Nations system on campus
- **More than 300 training courses** and activities in a stimulating international environment
- **Thousands of participants** from all over the world

### ENVIRONMENT AND SURROUNDINGS

#### **Grab a campus bicycle and explore the Turin Centre.**

Located in a leafy park on the banks of the Po River, it's a great place for study and collaboration. Experience innovative learning and training methods in modern classrooms equipped with simultaneous translation services.

### HOUSING, DINING, AND MORE

Comprising more than 280 private dormitories, the **Turin Campus provides a broad range of services for course participants and partners** including a free-flow restaurant, bank, travel agency, laundromat, post office, gym, medical services and a reception desk open 24/7.

### COMMUNITY ENGAGEMENT AND DIVERSITY

**Participants can enjoy social events organized by the Turin Centre** as well as by their course facilitators.

Whether on or off campus, people from different cultural backgrounds have the opportunity to listen to live music together, cook and share traditional foods, or team up to play games and network.
