Labour Administration and Labour Inspection in Asian Countries

Strategic approaches

Giuseppe Casale and Alagandram Sivanthiran

Current challenges brought about by globalization require that labour administrations in Asian countries put into practice well-coordinated and efficient administration systems, including effective labour inspection services. This book sets out the role, functions and organization of labour administration and inspection, highlighting best practices in these areas in a number of Asian countries. It gives a comprehensive overview of the recent changes in Asia and looks at the areas where there is an urgent need of improvement.
