## WHAT

### WHAT TOPICS DOES THIS ACADEMY COVER?

This academy offers elective sessions, allowing participants to tailor their learning experience to their interests.

- **Lifelong learning** for the Future of Work
- Skills **anticipation** and matching
- Quality training and **demand-driven** programmes and qualifications
- Quality **apprenticeships** and **recognition of prior learning** devices
- Inclusion of **disadvantaged groups** in skills programmes
- **Migration**-related skills measures
- Skills policies and practices for **informal and rural settings**
- Linkages between **skills strategies and local development**
- Supporting **key transitions** in learning societies

### WHAT WILL I LEARN?

- All about **successful skills policies and practices**
- Cutting edge **tools and methodologies** for effective skills governance today
- **Skills-based responses** to demographic, technological and economic changes
- Different measures meant to support individuals during periods of career transitions

### WHAT WILL I BE ABLE TO DO?

After taking the course, participants are ready to improve skills development policies and practices, from design to implementation.

- Design skills policies in response to an **increasingly globalized economy**
- Address **rapid technological developments** in skills-based policies and practices
- Create competitive, **demand-driven** skills programmes for the future of work

# WHY

## WHY SHOULD I JOIN?

The Turin Centre is known for its innovative learning and training methods.

- The Turin Centre's **dynamic learning environment** welcomes participants' perspectives, stories, and ideas.
- The academy aims to help participants understand the **linkages and flows** between skills systems and their environments.
- Participants build an **international community of practice** through daily conversation and discussion.

# WHO
