

GENDER EQUALITY, DIVERSITY AND INCLUSION

PROGRAMME OF THE DAY

FOR ITCILO STAFF MEMBERS AND PARTICIPANTS OF THE GENDER ACADEMY

FRIDAY, 1st DECEMBER FROM 11:00 TO 19:00

11:00-12:30	
11.00 12.00	Panel: Shaping Tomorrow: Al's Impact on Gender Equality in the Workplace
	Opening by Christophe Perrin, Director of the ITCILO, to launch the Gender equality, diversity and inclusion day
	Panel moderated by Andreas Klemmer, Director of Training, with the participation of:
	 Dr. Marielza Oliveira, Director of the UNESCO Communications and Information Sector's Division for Digital Inclusion, Policies, and Transformation (via videomessage)
	 Pawel Gmyrek, Senior Researcher in the Research Department of ILO Geneva, who co-authored the publication "<u>Generative AI and jobs:</u> <u>A global analysis of potential effects on job quantity and quality</u>"
	 Dipty Chander, President of the association E-mma, which promotes gender equality, diversity, and inclusion in STEM fields
	 Clementine Collett, PhD student from Oxford II on Gender and AI, co-author of the publication "<u>The effects of AI on the working lives of</u> women"
	The topics covered will be, among other, the link between gender equality and AI in the workplace: challenges and opportunities; good practices regarding gender and AI; and AI policies for a more equitable future of work.
	Piemonte pavillion
12:30-12:35	Group picture in orange "UNITE to end violence against women" with staff members and participants of the Gender Academy. Bring orange clothes or an orange accessory!
	Soccer field
14:00-17:00	Activities for participants of the Gender Academy and staff members to delve into the topics of gender equality, diversity and inclusion.
	Two sessions will be organized for each activity, at 14:00 and 15:30:
	Body Swap – Reflecting on Violence & Harassment through Virtual Reality
	(Ground floor Piemonte 132; 133 / EN)
