

ANNEX 2

NON-DISCLOSURE AGREEMENT

During the execution of the work/service/material delivery or at any time thereafter, the Contractor shall not use in any manner prejudicial to the interests of the Centre, or incompatible with those interests, or disclose any information of a confidential nature that may come into its knowledge in relation to the implementation of this contract, without the prior written consent of the latter. The Contractor shall take all reasonable steps to ensure that these obligations are complied with by its staff.
