I. Introduction

1. The Chief Internal Auditor of the International Labour Office (ILO), also the Internal Auditor of the Centre, presented at the 85th Session of the Board (October 2021) a report in which he explained that due to the COVID-19 pandemic, it was not possible to visit the Centre in order to carry out any planned audit work during the 2020 year.
2. However IAO had initiated an online audit of the pre-qualification phase of the tendering process to select a qualified building contractor to renovate the Africa 10 and 11 pavilions and that the results would be communicated to the Centre in his Report ending on 31 December 2021¹.
3. As there were no audit recommendations issued during the year 2021, there is no follow-up information to be provided to the Board, in this Session.
4. The Centre continues to work with the IAO and to keep the Chief Internal Auditor informed on the progress of the implementation of past outstanding recommendations.
