

CAMPUS LIFE

A THRIVING UNITED NATIONS CAMPUS AND COMMUNITY OF PROFESSIONAL PEOPLE FROM AROUND THE WORLD

- **Three organizations** from the United Nations system on campus
- **More than 300 training courses** and activities in a stimulating international environment
- **Thousands of participants** from all over the world

ENVIRONMENT AND SURROUNDINGS

Grab a campus bicycle and explore the Turin Centre. Located in a leafy park on the banks of the Po River, it's a great place for study and collaboration. Experience innovative learning and training methods in modern classrooms equipped with simultaneous translation services.

HOUSING, DINING, AND MORE

Comprising more than 280 private dormitories, the **Turin Campus provides a broad range of services for course participants and partners** including a free-flow restaurant, bank, travel agency, laundromat, post office, gym, medical services and a reception desk open 24/7.

COMMUNITY ENGAGEMENT AND DIVERSITY

Participants can enjoy social events organized by the Turin Centre as well as by their course facilitators. Whether on or off campus, people from different cultural backgrounds have the opportunity to listen to live music together, cook and share traditional foods, or team up to play games and network.

ENGAGE-TB

INTEGRATING COMMUNITY-BASED TUBERCULOSIS ACTIVITIES WITH THE RELEVANT COMMUNITY INITIATIVES AND PROGRAMMES BY GOVERNMENTS AND NGOS

OVERVIEW

SNAPSHOT OF THE COURSE

Worldwide, TB is one of the top 10 causes of death and the leading cause from a single infectious agent (above HIV/AIDS). Millions of people continue to fall sick with TB each year. The ENGAGE-TB approach seeks to shift the global perspective of TB from only a medical illness to a more comprehensive socioeconomic and community problem. The purpose of this three-days training is to provide participants the opportunity to implementing and scaling-up integrated community-based TB prevention, diagnosis, treatment and care using the ENGAGE-TB approach.

WHAT

WHAT TOPICS DOES THIS COURSE COVER?

Through a highly participatory format, participants will have the opportunity to experience the ENGAGE-TB approach, addressing the six areas that facilitate the engagement of NGOs and other CSOs in community-based TB activities:

- Situation analysis
- Enabling environment
- Guidelines and tools
- Task identification
- Monitoring and evaluation
- Capacity building

WHAT WILL I LEARN?

Participants learn how to:

- Define the ENGAGE-TB approach and identify the six areas of implementation;
- Identify soft skills that are required for an effective implementation of the ENGAGE-TB;
- Carry out a situation analysis through choosing information and making a plan;
- Describe and contextualize appropriate ethical behaviors;
- Collaborate to prepare guidelines for the implementation of community-based TB activities;
- Identify challenges and define solutions through performing SWOT analysis;
- Be familiar with monitoring and evaluation indicators for community-based TB activities.

WHAT WILL I BE ABLE TO DO?

Through an extended role-play, participants are confronted with realistic scenarios and the point of view of different stakeholders involved in the process (NGOs and CSOs). The whole training will enable participants to:

- Effectively communicate and collaborate with relevant stakeholders;
- Explore practical solutions for integrating TB into community- health programmes;
- Identify challenges and define community-based activities that are scalable.

WHY

WHY SHOULD I JOIN?

This training combines a high spectrum of learning approaches, tools and methods that participants will experience and contextualize at each stage of the ENGAGE-TB approach.

- Each participant will be treated as an individual, with their specific background, values and challenges to overcome.
- Similarly, each participant will be regarded as a valuable contributor, with a unique perspective, experience and stories to share.

WHO

WHO TAKES THIS COURSE?

- The training targets WHO officials involved and/or going to be involved in community-based TB activities.

WHO ARE THE INSTRUCTORS?

The training is led by:

- ITCILO experts from the Learning Innovation Programme, who are IAF-certified Professional Facilitators.
- Learning & Development Consultants from Infinity Unconventional Education who will provide insight into the soft skills required for effective implementation of the ENGAGE-TB approach.
- Targeted interventions and case studies from WHO officials will contribute to enrich the training programme.
