ACTUARIAL WORK FOR SOCIAL SECURITY

ILO/ISSA GUIDELINES, KNOWLEDGE-SHARING, AND INNOVATION

OVERVIEW

Effective actuarial work is crucial for the long-term adequacy and sustainability of social security schemes. Participants of this course will draw on international best-practice guidelines to assess how to embed high quality actuarial work within the effective operation of their social security institution. This is one of seven courses run in partnership with the International Social Security Association (ISSA) held simultaneously at the Turin Centre. Join a network of social security practitioners in this highly specialized course.
