SUMMER SCHOOL ON THE FUTURE OF WORK

YOUNG PEOPLE INNOVATING TOGETHER

OVERVIEW

SNAPSHOT OF THE SUMMER SCHOOL

The world of work looks a little different every day.

These changes - driven by technological innovation, demographics, climate change, and globalization - are unprecedented in their scale, speed, and depth. They are already radically reshaping the ways in which people work and live. The Summer School on the Future of Work aims to stimulate innovative dialogues, training, capacity-building support and knowledge management connected to the Future of Work.

An entire generation is ready to innovate for the work they deserve. Are you in?

WHAT

WHAT TOPICS WILL THIS SUMMER SCHOOL COVER?

In the Summer School, participants will engage with **international experts** on a range of subjects defining the Future of Work:

- **Work and production** in the face of the 4th industrial revolution
- The **platform economy** and its impact on the jobs of today and tomorrow
- **Strategies to empower** women in the workplace
- Skills for the **future of work** and life-long learning
- **Global supply chains** and responsible business conduct
- **Evolving policies and practices** for fair migration
- The role of the **social** and **solidarity economy** In the Future of Work
- **Green jobs** for a just transition to low-carbon economies and societies

WHAT WILL I LEARN?

- **Discover** the impact of technology on jobs, as well as the risks and opportunities for governments, businesses, and people
- **Have a closer look** at strategies that balance social development with environmental sustainability, leaving no one behind
- **Discuss** the principles of responsible business conduct
- **Gain insights** into the jobs of tomorrow
- **Explore** a transformative agenda to promote social justice, gender equality and diversity in the workplace.

WHAT WILL I BE ABLE TO DO?

There is a real need to understand and anticipate the changing employment landscape, so we can work towards a better future of work. Jointly with other young leaders:

- develop probable and preferable **scenarios of the future**
- draw **strategy maps** that illustrate a pathway towards this brighter future of work
- **study more in-depth some of the policies and tools** to reach the milestones along the pathway

WHY

WHY SHOULD I JOIN?

- Gain access to the latest findings of research on the Future of Work released by the ILO, the **Global Commission on the Future of Work** and other UN agencies
- **Engage with high-level experts**, who take you to the heart of current debates and policy options
- Debate the Future of Work with **other young people from all over the world**
