

GENDER EQUALITY AND DIVERSITY

ACADEMY ON GENDER, INCLUSION AND THE FUTURE OF WORK

A GLOBAL EVENT ON GENDER, WORK AND DEVELOPMENT

27 NOVEMBER – 8 DECEMBER 2023
TURIN, ITALY

Information Note

OVERVIEW:

Gender equality is fundamental to delivering on the promise of the 2030 Sustainable Development Agenda. The benefits, the business case and the evidence are widely available for advancing gender equality in the world of work. Yet, important and hard-won gender equality and diversity inclusion gains appear to be at risk. Further, the impact of the COVID-19 pandemic has threatened the livelihoods of millions of workers, increased gender gaps and pushed vulnerable groups farther away from decent work.

How can we step-up actions to achieve gender equality and diversity inclusion, which are essential to deliver on the promise of the 2030 Sustainable Development Agenda?

The Academy offers a global forum to learn from high-level international experts, discuss and share experience with practitioners and test practical approaches and innovative methodologies.
