# INVESTMENT OF SOCIAL SECURITY FUNDS

ISSA GUIDELINES, KNOWLEDGE-SHARING, AND INNOVATION

---

## OVERVIEW

**Reserve funds play an important role in the sustainability of social security systems, but their contribution depends on effective investment processes.** This course draws on international best-practice guidelines to explore how to implement well-organized and effective investment processes that can respond to economic, demographic, political and management pressures. This is one of seven courses run in partnership with the International Social Security Association (ISSA) held simultaneously at the Turin Centre. Join a network of social security practitioners in this highly specialized course.
