INFORMATION AND COMMUNICATION TECHNOLOGY

ISSA GUIDELINES, KNOWLEDGE-SHARING, AND INNOVATION

OVERVIEW

ICT is an indispensable enabler of effective social security systems, but can also be a critical factor when things go wrong. This course draws on international best-practice guidelines to explore approaches to strengthen implementation, reform and governance of the ICT aspects of social security systems. This is one of seven courses run in partnership with the International Social Security Association (ISSA) held simultaneously at the Turin Centre. Join a network of social security practitioners in this highly specialized course.
