INTERNATIONAL LABOUR STANDARDS AND RESPONSIBLE BUSINESS CONDUCT

THE LABOUR DIMENSION OF HUMAN RIGHTS DUE DILIGENCE

OVERVIEW

SNAPSHOT OF THE COURSE

The ILO's International Labour Standards are a critical component of responsible business conduct and human rights due diligence (HRDD). To respect workers' rights in your operations or supply chains, it is essential that companies have a solid understanding of those rights. This course provides participants with the expertise, tools, and knowledge they need to improve their skills in the field of labour-related human rights and core elements of effective HRDD.

WHAT

WHAT TOPICS DOES THIS COURSE COVER?

This course is designed for professionals who want to link three key topics in their work:

- International Labour Standards
- Responsible Business Conduct
- Human rights due diligence as described by the UN Guiding Principles on Business and Human Rights

WHAT WILL I LEARN?

Participants deepen their knowledge of the key topics with the guidance of international development experts.

- **Fundamental Principles and Rights at Work**, including the fundamental right to a safe and healthy working environment
- Conditions of work, including **working hours and wages**
- A comparative overview of leading **international frameworks** such as the ILO MNE Declaration, the UN Guiding Principles on Business and Human Rights, and the UN Global Compact
- Best practices in human rights due diligence by companies from different **geographical, sectoral, and operational contexts**

WHAT WILL I BE ABLE TO DO?

Participants advise and lead businesses and institutions toward integrated labour rights-related due diligence frameworks.

- Analyse international RBC instruments and frameworks **through the lens of the International Labour Standards**
- Optimize your organizational or company level HRDD processes to promote and respect workers rights in your own operations and supply chains
- **Access** ILO database, tools and resources

WHY

WHY SHOULD I JOIN?

ITCILO is part of the UN system and is the training arm of the International Labour Organization (ILO). As part of the ILO, it is dedicated to achieving social justice through decent work.

- ITCILO is known for its innovative learning experiences and unconventional methodologies.
- An opportunity to discuss labour rights related topics with ILO officials and an international cohort.
- Engage with experts from international and regional organizations on tools and instruments to advance workers rights in business operations.
- Participants are encouraged to discuss their experiences and identify ways to apply the course topics to their work.
