E-LEARNING DESIGN LAB
COACHING ON METHODS, TOOLS AND LATEST TRENDS
9 SEPTEMBER – 4 NOVEMBER 2020
E-LEARNING DESIGN LAB
COACHING ON METHODS, TOOLS AND LATEST TRENDS

OVERVIEW
SNAPSHOT OF THE COURSE

Given its hands-on and participatory approach, this course takes the form of an e-Learning lab. It focuses on contemporary instructional design models, e-Facilitation and e-Moderation strategies, e-assessment tools and technologies for increased engagement, online collaboration and communication, and e-Learning quality assurance frameworks.

WHAT
WHAT TOPICS DOES THIS COURSE COVER?
This fully online course helps participants recognize and apply modern e-Learning methods to their professional context.

• e-learning instructional design models
• e-facilitation and e-moderation
• online assessment strategies
• learning technologies for increased engagement
• online communication and collaboration
• e-learning quality assurance frameworks.

WHAT WILL I LEARN?
Participants dive into the latest e-Learning trends, including MOOCs, Mobile Learning, Gamification, Augmented Reality, Multimodal Learning among others.

• Topics related to instructional design, including an introduction to design thinking for online education.
• E-facilitation strategies, and how to incorporate them in different e-learning projects.
• Communication tools for different audiences.
• How to choose the right multimedia materials for online delivery.

WHAT WILL I BE ABLE TO DO?

• Identify and compare different online tools for more effective learning activities.
• Utilize various e-learning instructional models to improve projects.
• Access a range of e-learning tools for online assessment, collaboration, communication, and more.
• Design an e-learning strategy for specific workplace needs.
WHY

WHY SHOULD I JOIN?

- This course combines individual learning with tailored and project-based coaching.
- This course is designed according to international quality standards.
- Trainers are e-learning experts who are motivated to help participants learn at a distance.
- The course’s micro online modules fit into even the busiest of schedules.

WHO?

WHO TAKES THIS COURSE?

- Trainers responsible for designing and implementing e-Learning courses and programmes.
- Technical specialists occasionally involved in training or e-learning.
- Training evaluators.
- Professionals in charge of organizational learning and change.
- Representatives of employers and workers’ organizations in charge of online capacity building activities.

HOW TO APPLY

- Go to bit.ly/2ydaBmi to find the course and apply before 2 September 2020.

PRICE

Total: €945
