WHAT

WHAT TOPICS DOES THIS COURSE COVER?

The Programme offers a deep dive into the training management cycle, from analysis to evaluation towards reiteration. In particular, the following content is covered:

- Learning innovation: latest trends, practices and case studies
- Sustainable learning: approaches to inclusive and eco-training design
- Visual Learning: methods and tools to spark creativity
- Mobile learning: accessibility and audience engagement
- Gamification: elements, dynamics and tools to gamify sessions
- AR/VR/360 learning: multimodal learning experiences and examples.

WHAT WILL I LEARN?

The Programme covers the above topics through a blended approach to help trainers brushing up on their skills and become certified professionals.

- Orientation (05 Oct - 03 Nov): online learning about the macro-themes of the programmes, experts and peers' experiences, individual needs and training challenges
- Workshop (04-06 Nov): face-to-face learning about participatory learning approaches and how to design and facilitate an innovative intervention
- Coaching (09 Nov - 18 Dec): online project-based learning and personalized coaching on mastering trainers' competencies

WHAT WILL I BE ABLE TO DO?

After participating in this highly specialized Programme, participants are able to:

- reflect on personal training practices and identify strengths and weaknesses;
- organize training sessions through an organized, structured approach;
- utilize innovative, participatory and inclusive methods and technologies;
- tap on to latest learning trends and modalities to enhance current training;
- share their experiences and challenges with other professionals.
