

GREEN JOBS

GREEN JOBS FOR SUSTAINABLE DEVELOPMENT: CONCEPTS AND PRACTICES

06 APRIL – 05 JUNE 2020
ONLINE COURSE

GREEN JOBS FOR SUSTAINABLE DEVELOPMENT: CONCEPTS AND PRACTICES

OPPORTUNITIES FOR DECENT WORK IN A LOW-CARBON ECONOMY

OVERVIEW

SNAPSHOT OF THE COURSE

This course provides an interactive e-learning platform to explore green jobs concepts and analyse best practices. Through a review of tools, selected literature and country experiences, participants are introduced to the labour-market implications of the transition to greener and more sustainable economies. The action-oriented curriculum is structured towards the design and implementation of green jobs policies, programmes and projects.

03 APRIL 2020

WHAT

WHAT TOPICS DOES THIS COURSE COVER?

- **WHY** are green jobs key to sustainable development?
- **WHAT** are green and decent jobs?
- **WHERE** can green jobs be found and/or created?
- **HOW** can green jobs be promoted and by whom?

WHAT WILL I LEARN?

- Understand the **interlinkages** between environment, economy and society
- Recognize the **role of governments and social partners** in the promotion of policy coherence for the transition to greener and more sustainable economies
- Review **best practices and case studies** that illustrate the variety of approaches to fully exploit the business growth and job creation potential of the green economy

WHAT WILL I BE ABLE TO DO?

Participants develop solutions to complex problems, creating more sustainable societies.

- Use **international guidelines** to help countries manage the transition towards low-carbon economies
- Apply **concrete strategies** to promote green and decent work opportunities in the public and private sectors
- **Network** with green jobs experts and prominent actors in the field

WHY

WHY SHOULD I JOIN?

The Turin Centre is known for its innovative learning experiences and unconventional methodologies.

- Learning materials are **accessible online** during and after the course
- **Experts** from the ILO and the ITCILO design course materials and interact with participants
- Participants are encouraged to share their **country-specific experiences and approaches** to identify and promote green jobs
- Receive a **certificate** upon successful completion of the course

WHO

WHO TAKES THIS COURSE?

The course is addressed to a mixed audience of professionals interested in the basic concepts of green jobs, its linkages with the ILO agenda and the sustainable development framework. This includes:

- Government representatives
- Social partners
- Practitioners engaged in the fields of sustainable development and employment creation
- Staff from national and international development agencies, and
- Members from civil society organizations and academia
