E-LEARNING ON INVESTMENT OF SOCIAL SECURITY FUNDS

ISSA GUIDELINES, KNOWLEDGE-SHARING, AND INNOVATION

OVERVIEW

Reserve funds play an important role in the sustainability of social security systems, but their contribution depends on effective investment processes. This course draws on international best-practice guidelines to explore how to implement well-organised and effective investment processes that can respond to economic, demographic, political and management pressures. This is one of seven courses run in partnership with the International Social Security Association (ISSA) offered in an innovative e-learning format from 2020. This highly specialized course enables you to join a virtual global network of social security practitioners flexibly and without the need to travel.
