E-ACADEMY ON GENDER, INCLUSION AND THE FUTURE OF WORK

A DIGITAL GLOBAL EVENT PREPARING THE POST-COVID ERA

OVERVIEW

SNAPSHOT OF THE COURSE

Important and hard-won gender equality and diversity inclusion gains are eroding. The impact of the pandemic has threatened the livelihood of millions of workers, increased the gender gap and putting other vulnerable groups further away from obtaining decent work.

How can we step-up actions to achieve gender equality and diversity inclusion, which are essential to deliver on the promise of the 2030 Sustainable Development Agenda? The E-Academy offers a global forum to learn from high-level international experts, discuss and share experience with practitioners and test practical approaches and innovative methodologies.
