## WHAT

### WHAT TOPICS DOES THIS COURSE COVER?

The Programme offers a deep dive into the training management cycle, from analysis to evaluation towards reiteration. In particular, the following content is covered:

- Learning innovation: latest trends, practices and case studies
- Sustainable learning: approaches to inclusive and eco-training design
- Visual Learning: methods and tools to spark creativity
- Mobile learning: accessibility and audience engagement
- Gamification: elements, dynamics and tools to gamify sessions
- AR/VR/360 learning: multimodal learning experiences and examples.

### WHAT WILL I LEARN?

The Programme covers the above topics through an online approach to help trainers brushing up on their skills and become certified professionals.

- Orientation: online learning about the macro-themes of the programmes, experts and peers' experiences, individual needs and training challenges
- Workshop: online learning about participatory learning approaches and how to design and facilitate an innovative intervention
- Coaching: online project-based learning and personalized coaching on mastering trainers' competencies. The main concepts of the training cycle are: Analysis, Design, Development, and Evaluation.

### WHAT WILL I BE ABLE TO DO?

After participating in this highly specialized Programme, participants are able to:

- reflect on personal training practices and identify strengths and weaknesses;
- organize training sessions through an organized, structured approach;

- 
- utilize innovative, participatory and inclusive methods and technologies;
  - tap in to latest learning trends and modalities to enhance current training;
  - share their experiences and challenges with other professionals.
