WHAT

WHAT TOPICS DOES THIS COURSE COVER?

The ILO Entrepreneurship games are an innovative and experiential learning tool for entrepreneurship trainers and educators and can be used independently or to complement other entrepreneurship training programmes such as:

- Start and Improve Your Business (SIYB)
- Know About Business (KAB)
- Startup&go.

WHAT WILL I LEARN?

You will learn through playing. This Training of Trainers will allow you to:

- experience the entrepreneurship games in a close to real situation
- reflect upon your experience with your peers and facilitators
- conceptualize and analyse what kind of entrepreneurial skills you live whilst playing
- apply entrepreneurship and facilitation skills while playing.

WHAT WILL I BE ABLE TO DO?

The main objective of this ToT is to enable its participants to apply the ILO entrepreneurship games. After this training you will be able to:

- understand the logic and dynamics of the ILO entrepreneurship games
- appreciate the potential of VR as a tool for entrepreneurship training
- use and apply the entrepreneurship games in your future face-to-face or VR trainings.

WHY

WHY SHOULD I JOIN?

In the context of the increasing use and potential of Virtual Reality in training and education, the combination of entrepreneurship games and Virtual Reality promises to be a perfect match of innovative learning tools for entrepreneurship trainers. It enables participants to learn and evolve their skills by immersing themselves into virtual environments.

- Are you an entrepreneurship trainer?
- Are you into games?
- Are you keen to explore the potential of VR?

Then this is definitely your course!

WHO

WHO TAKES THIS COURSE?

This course is designed for entrepreneurship trainers and educators, such as ILO certified trainers and master trainers of SIYB, KAB, StartUP&go, or other trainers who would like to complement their entrepreneurship training with gamification tools. Whilst prior entrepreneurship training experience is an assumption, no VR experience is expected.
