WHAT IS MY.COOP

My.COOP is a training package and programme on the management of agricultural cooperatives.

It was designed for existing and potential managers of agricultural cooperatives and members involved in managerial tasks, to improve the management of their cooperatives and to provide guidance to them to better cater for member satisfaction, business opportunities and social concerns.

When managed well, agricultural cooperatives can contribute to advancing sustainable development concerns around food security, sustainable use of natural resources, elimination of child labour, and inclusive employment creation.
