STRATEGIC MANAGEMENT OF TVET CENTRES

DATA AND AI COMPETENCE FOR PERFORMANCE-FOCUSED TVET CENTRES

OVERVIEW

SNAPSHOT OF THE COURSE

This course is part of the **AI-Augmented and Responsible Practice in Skills Development** pathway. It is designed to strengthen the strategic capacities of TVET management teams to plan, steer, and transform institutions through data-driven and AI-enabled approaches.

Modern TVET centres are no longer just training providers; they are **skills ecosystem hubs**. This course prepares leaders to move beyond day-to-day administration toward strategic decision-making, performance management, and effective AI integration.

A distinctive feature of the course is its focus on practical AI competence for TVET management. Participants learn how to use AI as a management support tool.

WHAT

This course provides a **Comprehensive Management Toolkit** for vocational training centres leaders, with sessions on:

- **Strategic & Systemic Management:** Positioning centres within national skills systems and strengthening governance.
- **Data-Driven Responsiveness:** Using labor market information and AI to anticipate skills needs.
- **Digitalisation & AI Strategic Delivery:** Integrating AI into training design to enhance personalization and efficiency.
- **Internal Management & Quality Assurance:** Establishing robust performance indicators and quality mechanisms.
- **Strategic Staff Development:** Building leadership capacity and upskilling staff for innovation.
- **Sustainable Financing & Partnerships:** Diversifying funding models and industry engagement.
- **Social Inclusion & Outcomes:** Measuring employment impact and promoting equitable access.

WHAT WILL I BE ABLE TO DO?

By the end of the course, you will have enhanced your ability to:

- **Apply systemic and strategic analysis** to steer TVET centres within national skills development systems.
- **Use institutional and labour-market data** to support informed planning and prioritization, and decision-making.
- **Define and monitor performance indicators** to improve institutional effectiveness.
- **Understand competency framework, workforce planning** and the links between staff skills, motivation, and outcomes.
- **Master financing models**, stakeholder engagement mechanisms and the role of social dialogue in TVET sustainability.
- **Design data-informed improvement actions** for inclusiveness and equity.

HOW

HOW IS THE COURSE STRUCTURED?

1. **Foundation Building Phase (Self-Paced):** Kickstart your progress with flexible, self-paced modules and interactive knowledge checks that fit your schedule.
2. **Core Learning Phase (Live webinars):** Join collaborative live webinars to learn from international TVET experts and exchange strategies with a global network of peers.
3. **Consolidation Phase (Practical Impact):** Bridge the gap between theory and action by designing a custom Strategic Improvement Plan as your final capstone project.

WHY

WHY SHOULD I REGISTER?

This course helps you transform from a traditional administrator into a future-ready strategist by mastering a comprehensive toolkit of data-driven and AI-enabled management approaches that turn your TVET centre into a high-performance, digitally advanced skills hub.

WHO

WHO ATTENDS THIS COURSE?

- TVET Centre directors and managers.
- Senior staff of Ministries of Labour, Education, or Skills Development.
- Heads of training and quality assurance units.
- Professionals involved in TVET reform and skills development.

HOW TO APPLY

Register online by clicking the [“APPLY NOW”](#) button on the course page before **4 May 2026**.

Selection Criteria:

- Relevant professional experience.
- Sponsorship letter covering course fees.

Fellowships: A limited number of fellowships are available, with priority given to women, persons with disabilities, and first-time ITCILO applicants.

CERTIFICATION

Participants who complete at least 80/90 % of synchronous (live webinars) and asynchronous (required tasks) learning activities, as well as the mandatory assignment will receive:

- A **Certificate of Participation/Achievement**.
- The **AI-Augmented Skills Development digital badge**, recognizing the AI competencies acquired.

PRICE

The tuition fee for this course is €1,125.
